THIS MATTER is before the court on defendant's Motion to Continue Sentencing. For cause, counsel states in part that he does not have sufficient time to prepare a sentencing memorandum due to work in another court earlier this month. Review of the Objections to the Presentence report reveals, however, that counsel appears to have a good head start on preparing such memorandum as nearly three pages of the November 30, 2012, Objections discuss the merits of the "Sentencing Memorandum and Motion for Downward Departure and/or Variance." Objections (#9) at 1-4.

ORDER

IT IS, THEREFORE, ORDERED that defendant's Motion to Continue Sentencing (#12) is **GRANTED**, and the Clerk of Court is instructed to place this matter on for hearing February 28, 2013, at 2 p.m.

Signed: February 15, 2013
